1. Preliminary Matters

1.1 Call to Order

Lori Pullman called the meeting to order at 3:05 p.m.

1.2 Approval of the Agenda

Motion to Approve/Second: Michael Lannom / Jamie Hitchings. The motion carried unanimously.

1.3 Approval of the Minutes

Curriculum Committee Minutes 9/6/2023

Motion to Approve/Second: Michael Lannom / Tabitha Liang. The motion carried unanimously.

2. General Discussion

2.1 Communication ISLO discussion

Curriculum Committee suggested revision to the Communication ISLO:

Listening, Speaking, and Expressing: Students will develop verbal and/or non-verbal delivery skills to communicate their ideas as well as evaluate the ideas of others in a wide variety of contexts.

Diane Brown and Kelly Holt will bring the revision to College Council for review.

2.2 Misaligned courses

Lori Pullman stated that we have hour to unit alignment issues. Information will be sent to the Curriculum Committee on the courses that are out of alignment with information. This may be a possible FLEX Day session. A doodle will be put together to and information regarding the misaligned courses will be sent out.

2.3 Credit for Prior Learning

Don Carlson presented on Credit for Prior Learning (CPL) opportunities. He stated that OCC does not currently have a form to request credit for prior learning. He and Rozanne Capoccia-White are working to create a task force to implement a request form, guidance, and rubrics. Lori Pullman mentioned that there has been some pushback and process and procedures may benefit further Credit for Prior Learning opportunities. Don mentioned that there is a possibility for rubric creation driven by faculty. Rozanne stated that they are working for a vehicle for students to request Credit for Prior Learning and it is faculty purview whether a student receives credit. Rozanne stated that many requests go through Academic petition, and it would be beneficial to have a better process for review. Some of the review processes could possibly be standardized, if there is a common request that has been previously evaluated.

In accordance with the Ralph M. Brown Act and SB 751, minutes of the OCC Curriculum committee record the votes of all committee members as follows: (1) Members recorded as absent are presumed not to have voted; (2) the names of members voting in the minority or abstaining are recorded; (3) all other members are presumed to have voted in the majority.

Rozanne stated that offering CPL has shown to help student award completion. There is a district-wide task force working on CPL. Don mentioned that best practices are available at Palomar College. Lori Pullman requested success rate data to be provided.

Credit for Prior Learning modules are available on the Vision Resource Center.

[Work Experience revisions](#)

Motion to Table to 10/18 voting meeting/Second: Meredith Montagne / Mike Lannom. The motion carried unanimously.

2.5 AB 928 meeting takeaways

Presenter: Lori Cassidy

<https://www.ab928committee.org/>

Discussed as a part of the Articulation update.

2.6 Articulation update

Manoj Wickremesinghe presented an update on AB928. [Cal-GETC STANDARDS Version 1.0](#) were shown to the committee. AB928 will replace CSU GE Breadth and IGETC for Fall 2025 implementation. The meeting to finalize the standards will be on November 30th. Major changes are not expected. Manoj will wait to send out until this is finalized.

AREA 1 - ENGLISH COMMUNICATION – 1A, 1B, and 1C. Oral Communication was only for CSU but now will be for UC.

AREA 2 - MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING – Math area has no changes.

Area 3 ARTS AND HUMANITIES – Two subareas like it has currently but the difference is it will comprise of only two courses (one in the Arts and one in Humanities)

Area 4 SOCIAL AND BEHAVIORAL SCIENCES – Changed to two courses. This year this changed with Area 7 IGETC.

Area 5 PHYSICAL AND BIOLOGICAL SCIENCES – Does not change substantially.

Area 6 ETHNIC STUDIES – One course

Division representatives need to inform faculty that CSU Area E is gone. Oral Communication has been added to Cal-GETC. All courses must be UC approved to submit for Cal-GETC. Manoj may have additional opportunities to speak about this at division meeting. The Area E non-activity courses from the catalog were displayed.

Faculty should review the CSU Area E classes to see if they could revise and update for Cal-GETC. This is the last year for IGETC submission. Classes currently approved for IGETC should transfer into the Cal-GETC. Classes on the CSU GE breath may not. The courses must be UC approved before submitting for IGETC consideration to move into Cal-getc.

If faculty have a CSU Area E course they want to submit for Humanities or Social Science, please have them revise now for IGETC submission in CurricUNET and submit the [Articulation form](#). If the courses are UC transfer approved, they can be submitted for IGETC. This is the last year for IGETC and next year the Cal-GETC requests will be submitted.

The final version of Cal-GETC will be available November 20th. All articulation requests will need to be submitted before the first week of December. Ideally the courses should be in CurricUNET and approved

In accordance with the Ralph M. Brown Act and SB 751, minutes of the OCC Curriculum committee record the votes of all committee members as follows: (1) Members recorded as absent are presumed not to have voted; (2) the names of members voting in the minority or abstaining are recorded; (3) all other members are presumed to have voted in the majority.

through the dean to make the 11/24 Tech Review meeting. Manoj will see if he can get any information sooner so that the courses can be revised to the Cal-getc standard and submitted.
