| NAME OF CLUB | DESCRIPTION & DETAILS |
|---|---|
| Science, Technology, Engineering, and Math Club | Our goal is to provide the club members with hands-on experience via student-led projects that will make them more competitive when applying to an internship, to a job, or a four-year university. We also cooperate with OCC's departments such as Mathematics and Sciences department and Computer Science department to organize workshops that are specifically for STEM majors (Computer Sciences, Engineerings, etc) to improve learning strategy and provide insightful information about career choice. Furthermore, we organize workshops for many internships, such as project RAISE from CSU Fullerton, in which we invite staff and program alumni to share their experiences. |
| Christian Students at OCC | We are believers in Christ Jesus from various backgrounds who love God and His Word. We have fellowship with one another to pursue Christ, to spread the gospel, and to grow in God's life. We have a bible reading schedule, bible studies, intercollegiate fellowship, and many more fun activities. Follow us @csatocc on IG for more updates. |
| Architecture Club | The Architecture Club invites students with interest in architecture, technology, art, and design. We come together weekly to discuss and plan trips and visits. We attend competitions, provide program workshops, and meet professionals in the industry! |
