Attachment I – Student Club and Organization Registration(s)

NAME OF CLUB	DESCRIPTION & DETAILS
Immersive Media Club	The Immersive Media Club is a community of individuals who are interested in creating immersive experiences using cutting-edge technologies such as motion capture, virtual reality, and augmented reality. Through hand-on projects and collaborative work, members of the club will gain practical experience in creating immersive media content that can be used for a variety of purposes, such as entertainment, education, and training. The club will also provide a forum for members to share their work, exchange ideas, and network with other creators in the field. Whether you are a student, hobbyist, or professional, the Immersive Media Club is the perfect place to develop your skills and collaborate with like-minded individuals who share your passion for immersive media.
Global Information Broadcasting Club	The Global Information Broadcasting Club (GIBC) aims to inform global issues and cultural diversity through social media and broadcasting. We focus on international/social issues and various cultural information to enhance our awareness, which would positively broaden our points of view as members of the global community. We look forward to a better world with more diversity and understanding.
Coast Investment and Finance Association	Our club's objective is to follow up on the recent news to share critical insights and feedback for the best investment decisions. Through this, we can learn the way to filter the noise of news, build possible economic scenarios, make our own portfolios, and invest with risk management.
Japanese Language Tea House	The purpose of this club is to explore Japanese culture through food, music, or activities like calligraphy, and actively discuss similarities and differences between Japanese and World Cultures & Traditions. Through intercultural exchange, we will strengthen our language ability, broaden our global cultural perspective, and gain a greater understanding and appreciation of our world.
Science, Technology, Engineering, and Mathematics Club	Are you interested in STEM and/or majoring in a STEM discipline? The STEM Club hosts biweekly events and interactive workshops aimed at promoting projects and careers in Science, Technology, Engineering, and Mathematics.
OCC Surf Club	A way for students who either surf or are just interested in the sport of surfing can meet and interact.

Japanese Calligraphy & Chai Club	Through this club i want to share students my Japanese traditional calligraphy and also making new friends and learn each others differents cultures.`
Green Bird Costa Mesa Team	We are a green bird, a non-profit organization started in Japan! Every other Saturday from 11:00 to 12:00, we will be cleaning up around the OCC community. Our team will provide all trash bags, tongs, and gloves, so you can participate without bringing any supplies. Please meet in front of the Harbour office between 10:50 and 11:00 to join the clean-up! For more details, please check out our Instagram page. If you have any questions, feel free to message us through Instagram or via email. Thank you
