NAME OF CLUB	DESCRIPTION & DETAILS
The D&D Club	The goal for this club is to bring together new and old players in a welcoming environment where everyone can feel safe. During your time you will be able to join different sessions and possibly run your own story.
Just Serve	Our club aims to help OCC students help one another. We hope to do a service project once every month that helps the OCC community. Examples of this include food drives and campus clean ups. The creation of this club is based on the idea that serving others brings people together and uplifts all involved.
Circle K International	Service, leadership, fellowship
Red Cross	Guided by the fundamental principles of the American Red Cross and its mission to prevent and alleviate human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors, the Red Cross Club will learn, practice and exemplify humanitarian values through mission-related service projects, such as volunteer events and blood drives.
STEM Club	Conducting weekly workshops aimed at STEM and STEM interested students to garner interest in subjects like robotics, engineering, physics, biology, and much more. Workshops alternate between Mondays and Wednesdays from 3-4pm at the Makerspace for FALL 2024!
Philosophy Club	The Philosophy Club is a vibrant community dedicated to exploring the fundamental questions of existence, ethics, and knowledge through thoughtful discussion and debate. Members engage with diverse philosophical traditions and contemporary issues, fostering a deeper understanding of the world and our place within it.

Table Tennis Club	The Table Tennis Club seeks to provide the students and faculty of OCC with a community of table tennis players looking to play the sport both recreationally and competitively, and to help players learn and improve.
Astronomy and Physics Club	OCC Astronomy and Physics Club is intended for all students of any major, whether you are a newfound space enthusiast or a veteran astronomer. Club members will have the opportunity to learn how to operate our telescopes, go on field trips to local astronomy-related destinations, lectures, and events, as well as overnight camping trips to stargaze.
Republican Club	The Republican Club at Orange Coast College is dedicated to cultivating political discussions and civic engagement among students. Our aim is to provide a platform for it's club members to explore and advocate for conservative ideas. Through meetings, events, and community engagement, we strive to create well-informed and active participants in the political process with hands-on experience as well.
Christian Students at OCC	We are believers in Christ Jesus from various backgrounds who love God and His Word. We have fellowship with one another to pursue Christ, to spread the gospel, and to grow in God's life. We have a bible reading schedule, bible studies, intercollegiate fellowship, and many more fun activities. Follow us @csatocc on IG for more updates.
Volleyball Club	We provide an exciting environment where everyone can enjoy playing volleyball. This is co-ed and everyone is welcome, from complete beginners to experienced players! Don't be shy!
Muslim Students Association	The Muslim Students Association (MSA) is a valuable club because it fosters a sense of community and belonging for Muslim students on campus, providing a supportive environment where they can freely express their faith. It offers opportunities for members to engage in cultural and religious events, promoting a deeper understanding of Islamic traditions among both Muslim and non-Muslim students.
National Alliance of Mental Illness	NAMI (National Alliance on Mental Illness) strives to promote awareness of mental health and mental illnesses, as well as get rid of the stigma around it. Through meetings, panels, volunteer events, and socials, NAMI creates safe spaces to help better the wellness of students and faculty on campus.
Black Student Union	The Black Student Union at Orange Coast College is dedicated to creating a welcoming environment for all members of our community. We host weekly meetings and events that will help you get to know other members of the black community here on our campus.
